

# COLDFOOT & AVETTA

January 2021

Coldfoot Environmental Services, Inc. (Coldfoot) has been a contracting client member with Avetta since 2019. “Avetta connects the world’s leading organizations with qualified suppliers, contractors, and vendors.” Avetta does this by analyzing the list of qualifications organizations need from their subcontractors and applies that list to companies such as Coldfoot, who can demonstrate that they are compliant with that company's needs. Coldfoot is compliant with Avetta regulations including:

- Risk Management
- Health and Safety
- Sustainability
- Hazardous Material Removal
- Chemical Handling and Removal
- General Construction and Demolition

We are Avetta compliant and are excited to work with you on your next project! If you are interested in reviewing our compliance records or connecting with us through Avetta, use the “Contact Us” form on our webpage and we will get back to you with directions on how to connect with us as a contracting client as soon as possible.
